

KHALIL PROJECTS & CONTRACTING COMPANY

INDUSTRIAL CONSTRUCTION | INFRASTRUCTURE | MECHANICAL | CIVIL WORKS

Delivering Projects. Building Trust.

(KPCC) Company Overview

Saudi-based contracting and industrial support services

Khalil Projects & Contracting Company

KPCC is a Saudi-based contracting and industrial support company delivering civil, mechanical, fabrication, demolition, renovation, manpower, equipment rental, trading and procurement solutions across Saudi Arabia.

We support industrial plants, infrastructure projects, commercial facilities, warehouses, construction sites and oil & gas sector projects through experienced management, skilled technical teams, fabrication capability and reliable project support.

Core Strength

Safe execution, quality workmanship and timely delivery through experienced teams and reliable resources.

Operating Areas

Dammam, Al Khobar, Jubail and project locations across Saudi Arabia.

Head Office: Building 101, Jubail, Saudi Arabia

Fabrication Workshop Dammam KSA

Company briefly

Presence, sectors and execution capabilities

Presence

Dammam | Al Khobar | Jubail
Saudi Arabia

Core Sectors

Oil & Gas
Petrochemical
Industrial Facilities
Infrastructure
Commercial Buildings

Execution Strength

Civil works
Mechanical works
Fabrication
Manpower
Equipment support

Support Capability

Procurement
Logistics
Equipment mobilization
Site supervision
HSE coordination

Core Services Overview

Integrated contracting, support and supply solutions

Civil & Infrastructure

Earthworks, excavation, foundations, trenching, road works and site development.

Mechanical & Fabrication

Piping, welding, structural steel, steel supports, PEB and industrial maintenance.

Renovation & Maintenance

Plumbing, electrical, gypsum, painting, tiles, waterproofing and fit-out support.

Demolition Services

Dismantling, controlled demolition, concrete breaking, debris removal and site clearing.

Equipment & Manpower

Heavy equipment rental, operators, skilled manpower, drivers, helpers and site support teams.

Trading & Procurement

Industrial materials, PPE, tools, fittings, construction supplies and office furniture solutions.

Vision | Mission | Values

Clear commitments for consistent project delivery

Vision

To become a trusted Saudi contracting and industrial support company recognized for safe execution, reliable delivery and long-term client relationships.

Mission

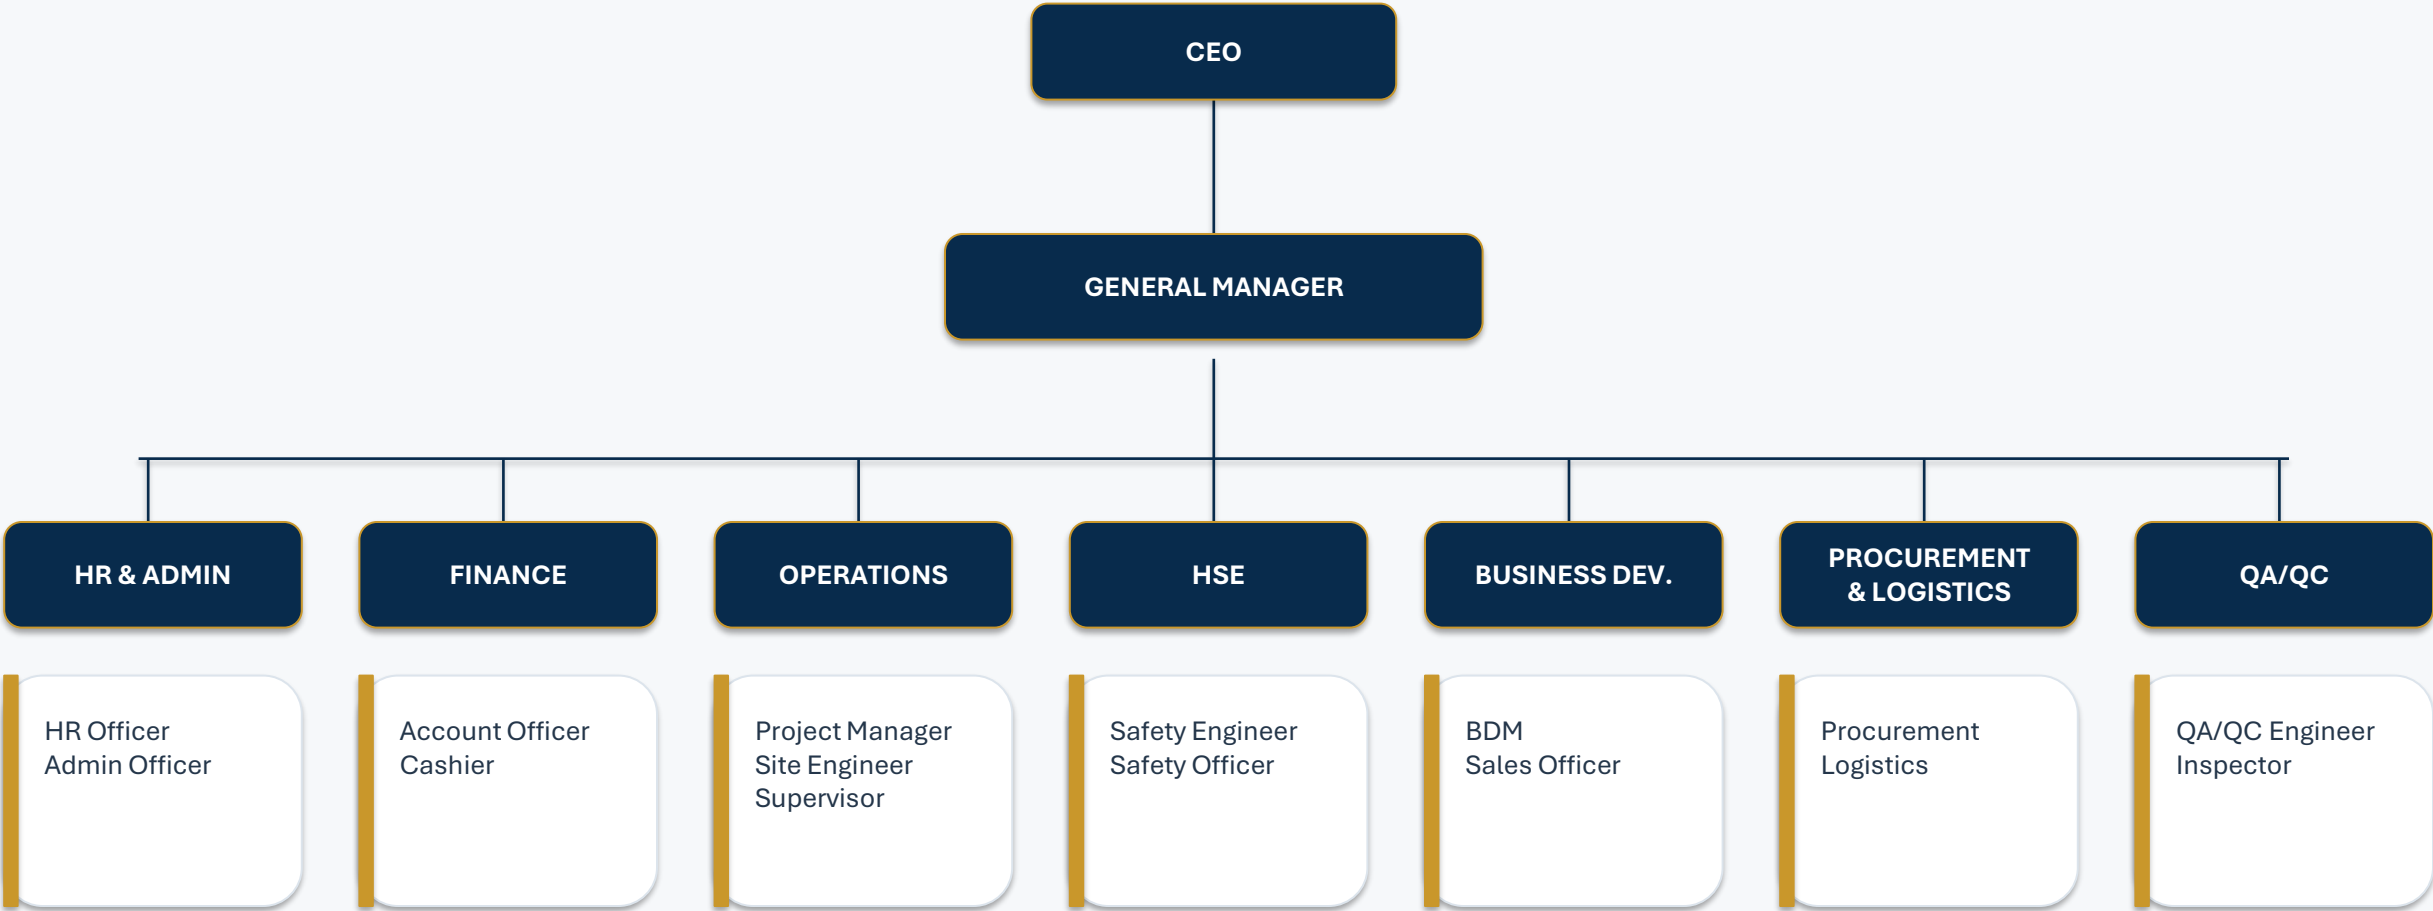

To deliver civil, mechanical, fabrication, manpower, equipment and procurement solutions that meet project requirements through competent teams, effective planning and disciplined execution.

Values

- Safety
- Integrity
- Quality
- Reliability
- Accountability
- Teamwork
- Client focus

Organization Structure

Note: Structure can be updated based on project requirements and final approved organization.

HSE & Quality Commitment

Safety, compliance and workmanship controls for every activity

HSE Priorities

- Risk assessment before work commencement
- Toolbox talks and daily safety briefing
- Mandatory PPE compliance
- Permit-to-work compliance
- Equipment inspection and operator verification
- Housekeeping and emergency preparedness

Quality Controls

- Material inspection
- Approved drawings and specifications
- Inspection and test plans
- Welding and fabrication checks
- Work inspection requests
- Testing, commissioning and handover documentation

Safety First | Quality Execution | Timely Delivery

Civil & Infrastructure Works

Earthworks, foundations, road works and site development

KPCC delivers civil construction solutions for industrial, commercial and infrastructure projects, from initial site preparation through structural completion.

Civil Scope

- Earthworks
- Excavation
- Trenching
- Backfilling
- Compaction
- Site grading
- Reinforced concrete
- Industrial foundations
- Road and asphalt works
- Drainage and site development

Civil Works Activities

Practical execution for excavation, trenching, backfilling and concrete works

EARTHWORKS

- Bulk excavation
- Trench excavation
- Sand and marl filling
- Layer-by-layer backfilling
- Compaction and density testing
- Subgrade preparation

CONCRETE & ROADS

- Reinforced concrete
- Equipment foundations
- Industrial slabs
- Road base and sub-base
- Asphalt preparation and paving

Building Renovation & Maintenance

Complete interior, exterior and facility maintenance support

Renovation Services

- Plumbing and sanitary works
- Electrical installation and repairs
- Gypsum board and ceiling works
- Internal and external painting
- Plastering and block works
- Floor and wall tile installation
- Waterproofing
- Office fit-out and refurbishment
- General building maintenance

Mechanical & Fabrication Works

Piping, welding, structural steel and industrial maintenance

Mechanical Services

- Industrial piping installation
- Pipe supports
- Welding works
- Structural steel fabrication
- Steel platforms and ladders
- Handrails and supports
- Gutter replacement
- Preventive and corrective maintenance

PEB & Industrial Steel Structures

Pre-engineered buildings, steel erection and structural assembly

Structural Scope

- PEB building erection
- Warehouse and workshop structures
- Steel columns and beams
- Bracing and secondary steel
- Roofing and cladding support
- Platforms and access systems
- Handrails and staircases
- Structural repair and strengthening
- Site welding and assembly

Demolition Services

Safe dismantling, debris removal, site clearing and disposal

Demolition Scope

- Building demolition
- Concrete breaking
- Structural dismantling
- Mechanical dismantling
- Equipment removal
- Debris loading and transportation
- Site clearing
- Waste segregation
- Disposal at approved locations
- Preparation for reconstruction

Equipment Rental & Manpower Supply

Fast mobilization for construction and industrial projects

Equipment & Fleet

- Excavators and backhoe loaders
- Wheel loaders, rollers and graders
- Dump trucks and water tankers
- Pickup trucks and coaster buses
- Welding machines and tools
- Monthly and project-based rental

Manpower Categories

- Engineers and supervisors
- HSE officers and QA/QC inspectors
- Welders, fabricators and pipe fitters
- Masons, carpenters, painters and tile masons
- Operators, drivers and helpers
- Replacement and attendance support

Trading, Procurement

Industrial materials, project supplies and workwear support

Trading & Procurement

- Pipes, valves and fittings
- Civil construction materials
- Sand, marl and aggregates
- Structural steel materials
- Electrical and instrumentation
- Tools, hardware and consumables
- Office furniture supply

We supply a wide range of industrial materials, equipment rental and site support services to meet the demands of all types of projects.

CIVIL CONSTRUCTION MATERIALS

- CEMENT, BLOCKS & BRICKS
- REBAR & MESH
- TILES, PAINTS & COATINGS
- CONCRETE ACCESSORIES

SAND, MARL & AGGREGATES

- DUNE SAND & BACKFILL SAND
- MARL & SUB-BASE MATERIAL
- AGGREGATES & CRUSHER MATERIAL
- FILLING & RIPRAP MATERIALS

STRUCTURAL STEEL MATERIALS

- STEEL PLATES & SHEETS
- BEAMS, CHANNELS & ANGLES
- PIPES, TUBES & SECTIONS
- GI, MS & STAINLESS STEEL

ELECTRICAL & INSTRUMENTATION

- CABLES & CABLE ACCESSORIES
- LIGHTING & SWITCHGEAR
- INSTRUMENTS & GAUGES
- JUNCTION BOXES & PANELS

WELDING & FABRICATION MATERIALS

- WELDING ELECTRODES & WIRES
- GAS CUTTING & ACCESSORIES
- ABRASIVES & CUTTING DISCS
- FABRICATION CONSUMABLES

TOOLS & HARDWARE

- HAND & POWER TOOLS
- FASTENERS, NUTS & BOLTS
- HARDWARE & BUILDING ACCESSORIES
- SITE & WORKSHOP TOOLS

PLUMBING & HDPE / PVC MATERIALS

- HDPE PIPES & FITTINGS
- PVC / CPVC PIPES & FITTINGS
- VALVES & PLUMBING ACCESSORIES
- WATER SUPPLY SYSTEM MATERIALS

EARTHWORK & SITE SUPPORT

- EXCAVATION & BACKFILLING SUPPORT
- SITE LEVELLING & COMPACTION
- ROW & SITE PREPARATION
- MATERIAL DELIVERY & SPREADING
- ROAD BASE & SUB-BASE SUPPORT

KPCC × MAFATLAL

PPE, UNIFORMS & WORKWEAR SUPPLY

Exclusive Saudi supply partner for Mafatlal workwear, PPE and uniform solutions.

KPCC offers bulk supply with client-selected fabric, customized stitching, logo embroidery/printing and competitive pricing for industrial, commercial, school and healthcare requirements.

- Industrial PPE Uniforms
- School Uniforms
- Hospital Uniforms
- Corporate Workwear
- Custom Fabric & Branding
- Bulk Project Supply

Your Brand. Your Fabric. Your Design. Competitive Price.

Flexible supply for industrial sites, schools, hospitals, hotels, offices and government projects.

Industrial FR/IFR Garments • PPE Solutions • OEM Uniform Manufacturing

CORPORATE UNIFORMS	HOSPITALITY UNIFORMS	HEALTHCARE UNIFORMS	MILITARY & TACTICAL UNIFORMS	SECURITY UNIFORMS	SCHOOL UNIFORMS
COMMITTED. Standards and exceed expectations.	Premium Quality Fabrics	International Standards	Bulk Production Capability		
MAFATLAL WORKWEAR RANGE					

SUPPLY RANGE & CUSTOM UNIFORM SOLUTIONS

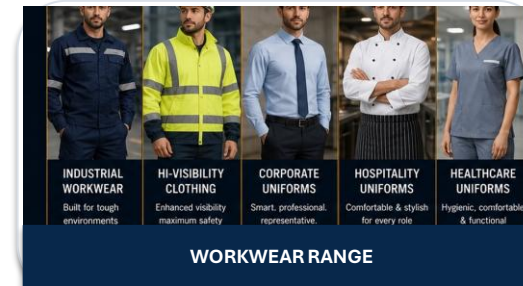

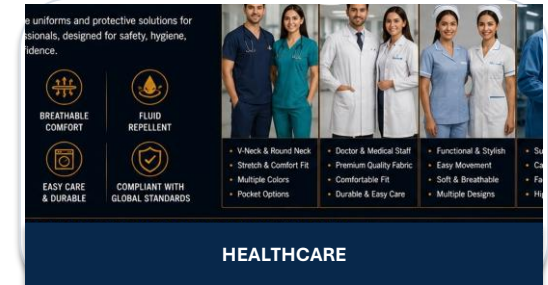

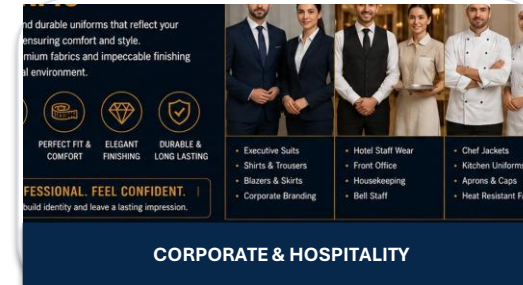

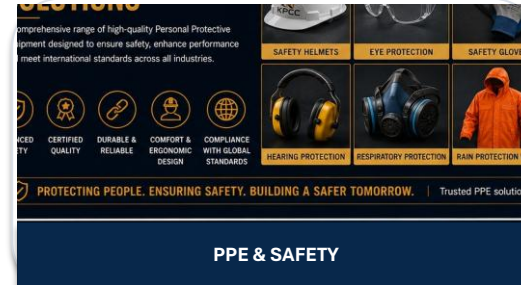

Fabric selection, stitching, branding and bulk delivery support for Saudi Arabia projects

Core Supply Categories

- Industrial PPE & FR / IFR coveralls
- School uniforms and staff uniforms
- Hospital, healthcare and lab coats
- Corporate, hospitality and office uniforms
- Security, tactical and facility uniforms
- Custom fabric, stitching and logo branding
- Bulk supply and project delivery support

Mafatlal product portfolio includes school, corporate, work and hospital uniforms, plus specialty fabrics such as flame-retardant, anti-static, antibacterial and water-repellent options.
